ORANGE COUNTY OFFICE ON YOUTH TO OFFER SOCIAL MEDIA DANGERS PRESENTATION IN PARTNERSHIP WITH LAKE OF THE WOODS CHURCH

Orange County, VA – The Orange County Office on Youth, in partnership with Lake of the Woods Church, will make a public presentation on Wednesday, October 25, 2017, regarding social media dangers for our most vulnerable citizens.

The presentation was created in response to community input regarding issues that need more attention in our area. Lake of the Woods Church is providing dinner, childcare, and youth group activities. The Office on Youth has contacted SerpahimGLOBAL to offer the presentation in the area, along with a specialist in the field, that will provide valuable information and tools for social media users of all ages.

The event is free to attend and the dinner, childcare, and youth group activities are also provided free of charge to all. Dinner will be served at 6:00 p.m. and the presentation will follow at 6:30 p.m. The presentation and dinner will be held at Lake of the Woods Church, located at 1 Church Lane, Locust Grove, Virginia.

For additional information, or to RSVP, please contact Ashley Jacobs, Program Coordinator, at (540) 672-5484 or ajacobs@orangecountyva.gov.
