### **UPCOMING TIRE RECYCLING AMNESTY EVENT AT ORANGE COUNTY LANDFILL**

Orange County, VA – The Orange County Landfill and the Orange County Litter Control Committee will be hosting a free tire recycling event on Saturday, June 15, 2019 (rain or shine) to help alleviate the growing problem of tire accumulation and improper disposal. The event will be open from 8:00 a.m. to 12:00 p.m. at the Orange County Landfill, located at 11350 Porter Road, Orange, Virginia. This event is an opportunity for Orange County citizens to discard unwanted tires without paying the usual fee of \$2.50 per tire.

Accepted items include standard car and truck sized tires. The largest size accepted will be R22.5 tires (standard tractor trailer size). A maximum of 12 tires per drop-off vehicle will be accepted. No commercial or business drop-offs shall be permitted. This event is open to Orange County residents and/or property owners only. Proof of residency or land ownership may be required upon request, and participants should be prepared to provide such proof. The tire recycling amnesty event is first come, first served, and will end when trailers are full or the scheduled end time of 12:00 p.m. arrives. Staff and volunteers will be onsite to assist with the unloading and loading of tires.
