LITTLE CAESARS FUNDRAISER CONTEST WINNER!!!

Congratulations to Z'nyah Skinner for winning the Little Caesars Fundraiser Seller Contest. Z'nyah sold 31 units, which was the most sold between all three of our child care sites; Orange, Gordon Barbour, and Locust Grove. Z'nyah attends the Orange Elementary Child Care site, and is currently in 4th grade at Orange Elementary. As a reward for selling the most units, Z'nyah won a Amazon Fire 7 Tablet. Thank you to Z'nyah and everyone who participated in this Little Caesars fundraiser and all of our previous fundraisers. Your contribution to our programs will, and has helped greatly in purchasing new toys and games for each of our child care sites. Thank you again, for all that participated, and be on the lookout for another OCSACC fundraiser coming in Spring 2020.

INCLEMENT WEATHER POLICY

“In general, OCSACC follow the lead of Orange County Schools regarding winter precipitation. It is easy to make the decision when precipitation is imminent or occurring - the child care sites will automatically be closed. However, when the school system remains closed for a period of time, we recognize that this places a hardship on parents. Therefore, every attempt will be made to re-open the sites as soon as the roads and parking lots are safe for travel.

Delayed openings may occur when appropriate in order to allow staff and parents safe travel to the sites during the daylight hours.

In the event the Orange County Schools closes early (for any reason) the child care sites will open immediately. The staff asks that parents attempt to pick up the children as soon as possible to allow the staff and parents safe travel in the daylight hours. This does not mean that parents are expected to pick children up within the first few minutes of day. If you do not work in the immediate area - please contact your child’s site to establish what the weather is currently doing and how quickly you will need to make arrangements for your child. Fees **MAY** be adjusted for early closings based on pick-up times (e.g., waving early closing fee).

There will be NO fees assessed for full days closed due to inclement weather, or unforeseen circumstances. Site Directors/Managers will adjust the fee for the week to reflect a credit for days closed due to weather or other unpredictable occurrences.

All closings and delayed openings will be posted on the Office on Youth Facebook pages, on each site’s voicemail, and an email will be sent out through OnCare. Please check your email and site voicemail frequently as the situation may change.” - Parent Handbook; pg. 11

ILLNESS, INJURY, AND SICK POLICIES

With flu season upon us, the OCSACC find it pertinent to refresh parents on our illness, injury and sickness policies. Please read over these policies carefully as they insure the safety of the children in our care, and provide benefits to the families who must removed their children from our care for an extended period of time due to medical reasons. These OCSACC policies are as follows:

“OCSACC staff will conduct Daily Health checks on all children when they arrive at the center. There are certain circumstances which will prohibit the child from remaining on site - because of potential exposure of germs/infection to other children and staff. Children will not be allowed to attend the Child Care program for the day if they have any of the following:

- A temperature of 100 degrees Fahrenheit;
- Recurrent vomiting or diarrhea (twice in two hours); or
- A communicable disease (including but not limited to: pink eye, head lice, chicken pox).

In the event a child displays any of the above, parents or emergency contacts will be notified and expected to pick up the child as soon as possible. When children at the site have been exposed to a communicable disease, parents will be notified within 24 hours or the next business day (if appropriate to wait). Notification of exposure to life threatening diseases will be reported within 24 hours. Notification may consist of a sign hanging at the sign-in area, notes home, and/or phone calls to specific parents depending upon the situation.

****Parents also are REQUIRED to notify the Child Care site in the event their child contracts a communicable disease; notification should occur within 24 hours or the next business day as appropriate.*** Please notify your Site Director/Manager if your child is sick and will not be attending for the day or if the illness is communicable so that other parents can be notified.

Incident reports will be created for all injuries, regardless of severity. In the event of a known minor injury occurs at the Child Care site, parents will be notified by the end of the day. Parents will be notified as soon as possible, without jeopardizing the safety of the child, in the event the child sustains a serious injury or requires emergency medical treatment. In the event the injury/illness requires immediate emergency action, 911 will be activated and an ambulance will be dispatched. Staff will provide care and first aid until the ambulance arrives. Parents or emergency contacts will be notified IMMEDIATELY after 911 is activated. In the event, the rescue squad determines the child should be transported (prior to the arrival of a parent/emergency contact) OCSACC staff will accompany the child in the ambulance and will stay with the child until the parent/emergency contact arrives. Parents will be required to sign the incident report as soon as possible; parent copies will be given as requested.” - Parent Handbook; pg. 14

“In the event a child becomes ill and must be out of school and child care for an extended amount of time, a doctor’s note is required. Once the note is on file, charges will accrue for the first three (3) days and will not begin again until the child returns to the child care program.” - Parent Handbook; pg. 8
