Route 3 Arterial Preservation Plan Public Information Meeting

September 5, 2018

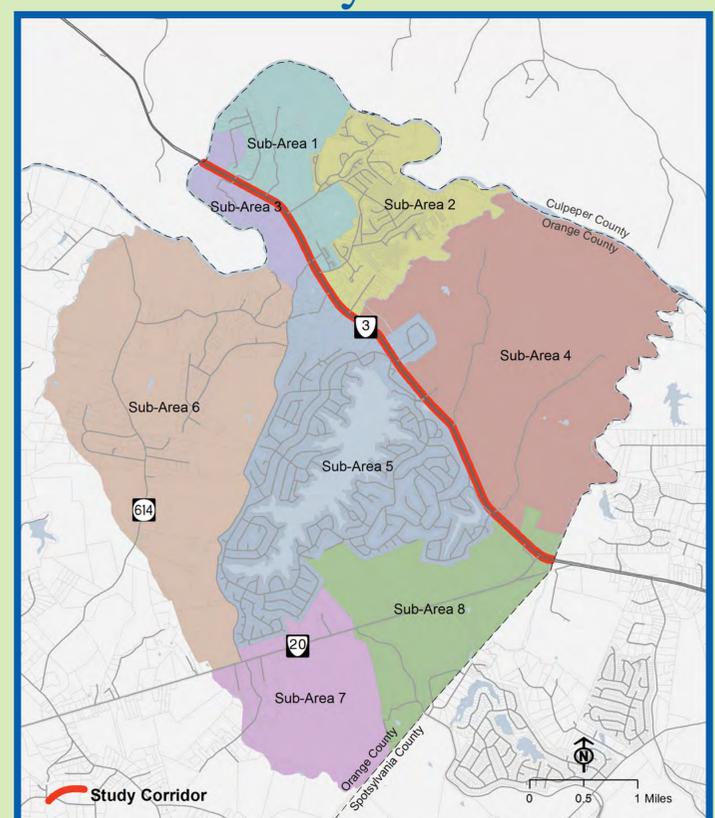

Purpose of Study

To preserve and enhance the vehicle capacity and safety of the Commonwealth's Arterial Preservation Network, while accommodating economic development and avoiding wide-scale road widenings.

Develop a Corridor Transportation Plan

- Result in a safer arterial highway system
- Preserve and enhance corridor capacity and efficiency
- Maintain Commonwealth's mobility and economic competitiveness
- Lower long-term infrastructure capital and maintenance costs

Study Area

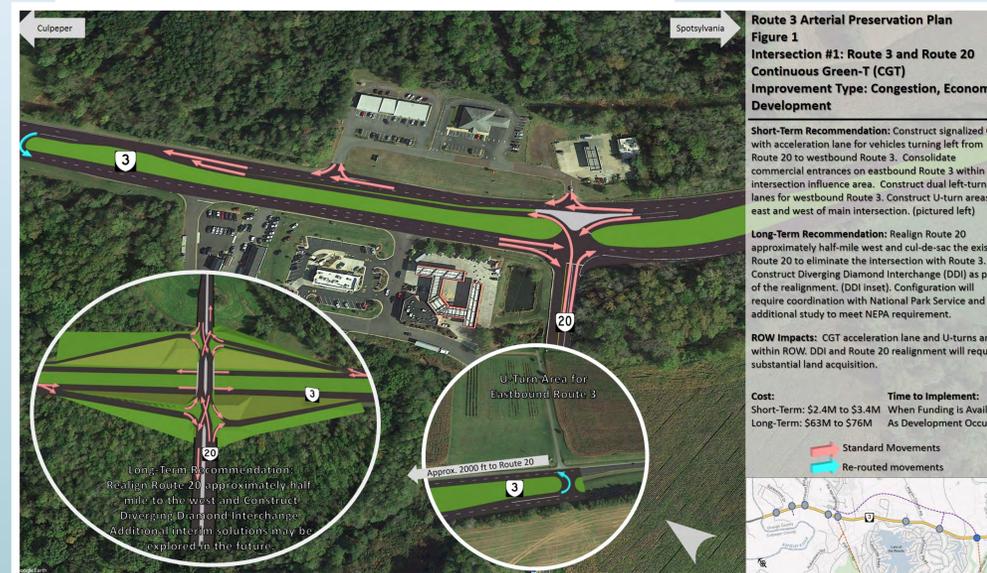

ROUTE 3 ARTERIAL PRESERVATION PLAN

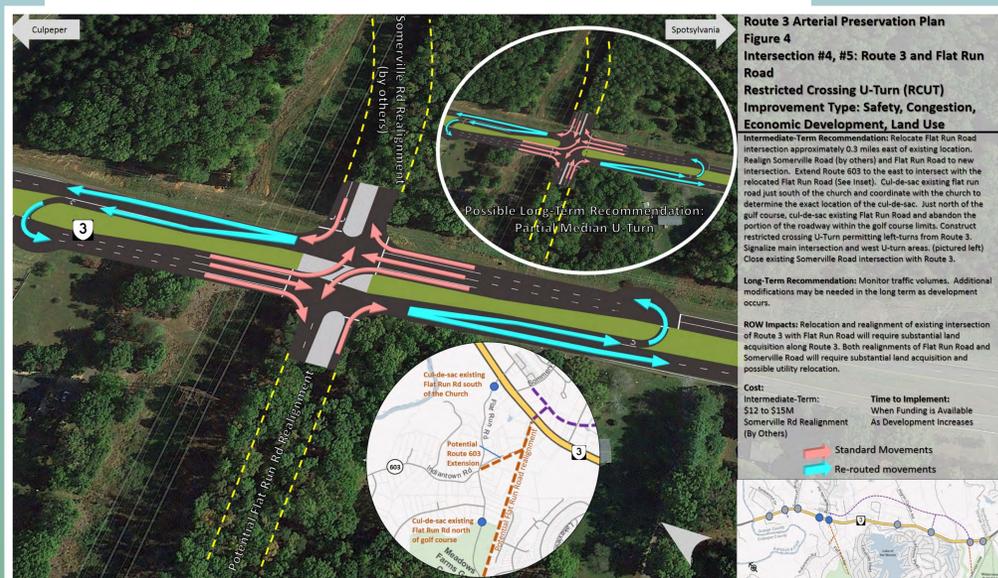

Final Corridor Recommendations

Orange County

Route 3 and Route 20 - Continuous Green-T (CGT)

Route 3 and Flat Run Road - Restricted Crossing U-Turn (RCUT)

Route 3 and Post Office Roadway - Restricted Crossing U-Turn (RCUT)

Route 3 and Hampton Lane - Directional Median

Route 3 and Goodwin Drive - Restricted Crossing U-Turn (RCUT)
