

# ScienceTellers

Interactive Science & Storytelling Show

April 9, 2020; 3pm-4pm

at Locust Grove Primary School

## ALIENS: ESCAPE FROM EARTH

During a midnight meteor shower, something mysterious falls from the sky — but it's not a shooting star. Two curious kids venture into the forest to investigate and find themselves mixed up with visitors from another planet! Pursued by a crazy space scientist, they must rescue the aliens and get them back to their spaceship — before it's too late!

**Don't miss this action-packed, educational alien adventure using science experiments as special effects. It's totally out of this world!**

Orange County Parks & Recreation and the Orange County Office on Youth School Age Child Care program are partnering to bring ScienceTellers' interactive science and storytelling show to Orange County!

### Discover scientific principles through audience-driven experiments!

- *Turning a liquid into solid "worms" through a chemical reaction.*
  - *Launching a potato into the air using Boyle's law.*
  - *Making a flying rocket using common household items.*
- *Transferring energy between matter to create a "rainstorm."*

This program is for children aged 5-12.

### Registration Information:

Free for students attending OUY School Age Child Care on 4/9/20.  
(MUST BE PRESENT AT THE CHILD CARE SITE ON THE DAY OF THE PROGRAM FOR FREE REGISTRATION)

- or -

\$10 registration through Parks & Recreation (+\$5 per add'l child)  
(NO TRANSPORTATION PROVIDED THROUGH PARKS & REC.)

**Pre-Registration is Required by 3/27/20**  
**Call (540) 672-5435 to Register.**
