Supplemental Nutrition and Assistance Program – SNAP FAQs:

- 1. Are Emergency SNAP or Disaster SNAP (D-SNAP) benefits going to be issued?**
Yes. Virginia issued emergency allotments to households on March 25 and will issue them again on April 16. The emergency benefits will allow the household's current monthly allotment to increase to the maximum allotment for a household of that size.
- 2. Will there be an increase in the SNAP benefits to the current SNAP caseload during the COVID-19 public emergency?**
Yes. Virginia issued emergency allotments to households on March 25 and will issue them again on April 16. The emergency benefits will allow the household's current monthly allotment to increase to the maximum allotment for a household of that size.

The emergency allotment was calculated by the maximum allotment issuance for the household size, minus the amount that was issued for March 2020. If you received the maximum benefit you would not be eligible to receive the emergency allotment.
- 4. Why was my emergency allotment so small?**

Yes. DMAS is making the following changes:

- DMAS is seeking federal authority to accept client/member appeals filed during the COVID-19 emergency that miss the normal filing deadlines. If the authority is granted, those appeals will move forward as if the deadlines were met. This policy will apply retroactively for the length of the Governor's emergency declaration, which began on March 12, as soon as approval is received.
- For all appeals filed during the state of emergency, Medicaid members will automatically keep their health coverage and have access to Medicaid-covered medical services without any financial impact while the appeal is proceeding. Medicaid managed health plans will also approve continued coverage while their internal appeal process is underway.
- All DMAS State Fair Hearings will be conducted by telephone.
- DMAS will grant requests to reschedule hearings.
- Appeals may be submitted to DMAS via e-mail at Appeals@DMAS.Virginia.gov

State Fair Hearing decisions may not be issued within the normal timeframe, depending on the length of the emergency.
