

**SOCIAL  
DISTANCING  
ACTIVITY  
GUIDE**

Use this handout to create a special thumbprint image for Mother's Day! Write the child's name (and maybe age) in the blank banner. Then, lightly paint the child's thumb yellow (a washable marker also works) and have them press their thumb down on the jar to make thumbprint "fireflies." Add wings, smiles, antennae, etc., if desired, for fun. Cut along the outside border and frame. The box is formatted to fit a 5"x7" frame with minimal trimming.

ACTIVITY  
GUIDE**

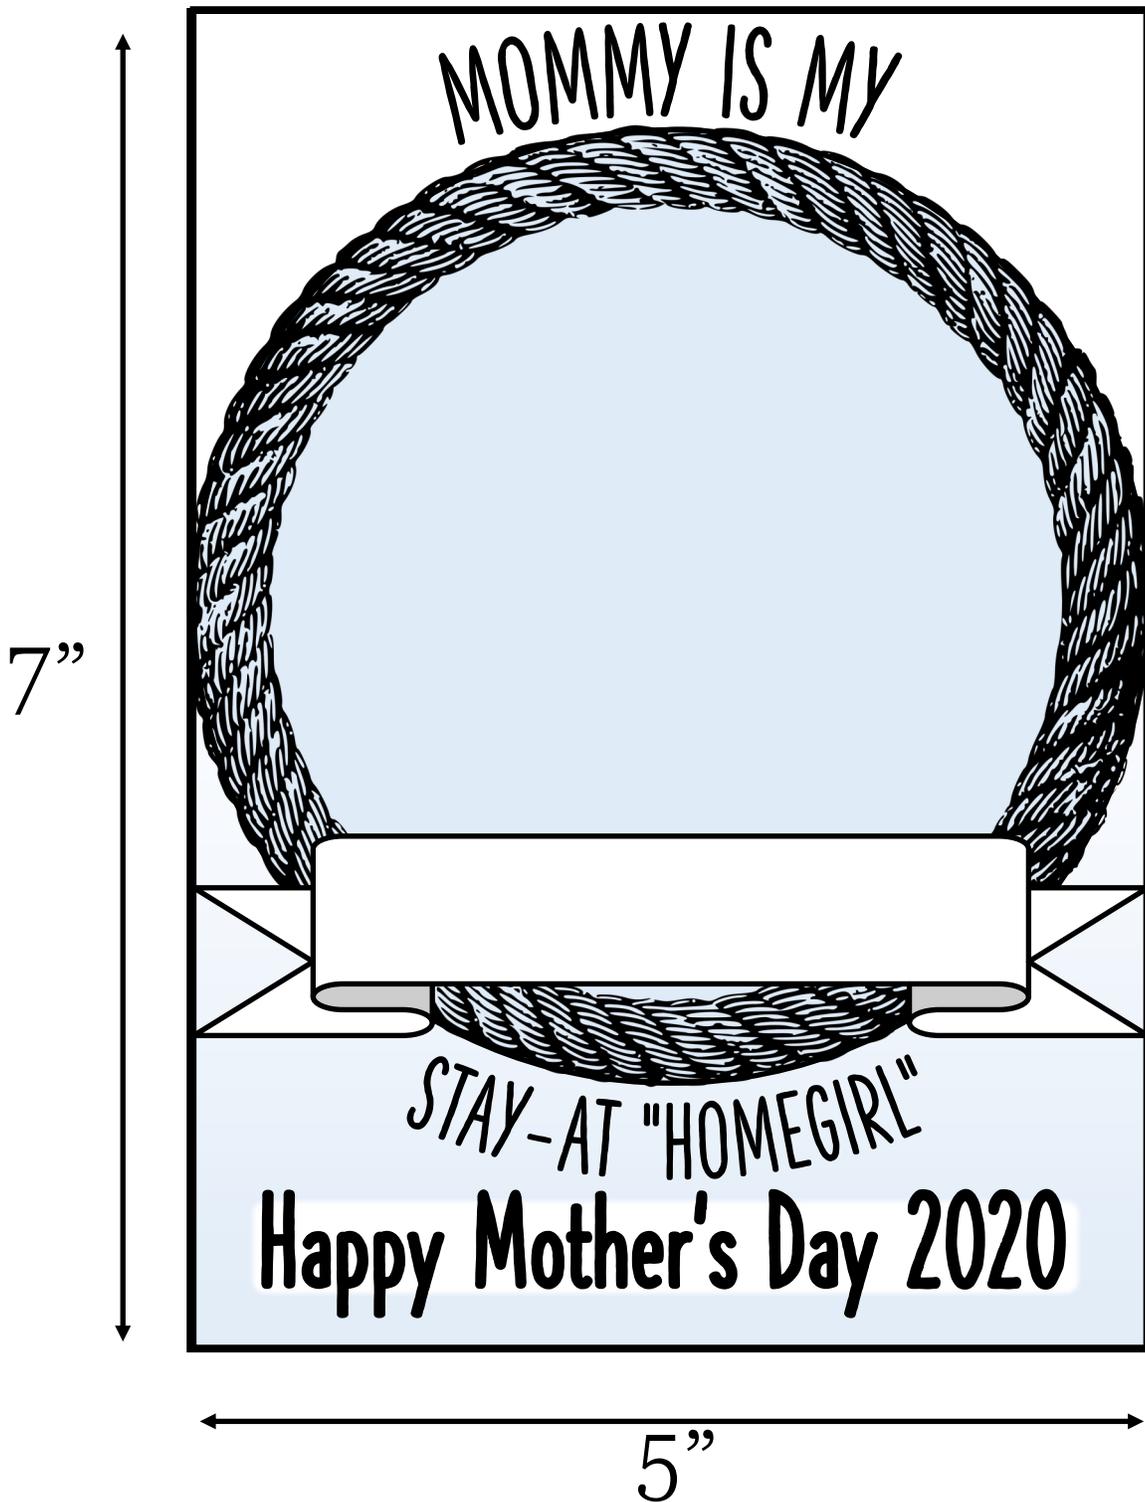

Use this handout to create a special handprint image for Mother's Day! Write the child's name (and maybe age) in the blank banner. Then, lightly cover the child's hand in paint, and have them press down in the circle to leave a copy of their handprint. Cut out along the outside border and frame if desired. The box is formatted to fit a 5"x7" frame with minimal trimming. This handout will only work for smaller children whose hands can approximately fit the circle.
