Due to the current COVID-19 pandemic Christmas gifts will not be delivered to individual homes. Families will be contacted by someone working this program notifying them of the designated pick up location as well as the scheduled date and time of your pick up. This is to prevent large numbers of people gathering in one place at the same time.

In the event that your packages need to be delivered due to an unforeseen event please list your physical address below as well as clear directions to your home as no packages can be delivered to a P.O. Box.
