ORANGE COUNTY VOTERS TO RECEIVE NEW VOTER INFORMATION NOTICES

ORANGE COUNTY, Va - The Orange County Office of Voter Registration & Elections is informing Orange County voters that the decennial redistricting process has been completed. The Office will send new voter information notices, by United States mail, to all registered voters, this week.

As a result of redistricting, voters may have a new district, precinct, or polling place, effective immediately. Once received, refer to your new voter information card to confirm your information. The table below lists each location. An [interactive polling place map](#) is available on the Orange County website to assist voters in locating their new district, precinct, or polling place. More information about the redistricting process is available in the [March 2022 issue](#) of the Orange County Insight newsletter.

Those with questions should contact the Office of Voter Registrations & Elections at (540) 672-5262 or vote@orangecountyva.gov.
