Skydog Orange Dog Park T-Shirt Fundraiser Order Form

Dear Potential Dog Park Supporter,

As our next major project, the Orange County Parks & Recreation Foundation is supporting the construction of a Dog Park within Booster Park. This park will be known as "Skydog Orange Dog Park;" and is planned to feature a central sitting area with four fields (enough to rotate active fields and provide separate play areas for small and large dogs). The Parks & Recreation Department hopes to open this new dog park in the spring of 2022. The Foundation is currently seeking financial support to help make this project a reality. One of our fundraisers is the sale of t-shirts featuring the pictured aviator dog artwork created by Jamie Yurasits Howie, which will eventually serve as the park's logo.

Please select the styles, sizes, and number of shirts you would like below. Short sleeve shirts will be faded yellow in color, long sleeve shirts will be faded blue in color. Tally up the total amount owed on the right. Please complete your form and your payment (cash or check only, checks made to OCPRF Foundation) and send both together.
