

Pinwheels for Prevention

The Orange County Office on Youth (OOY) and Department of Social Services (DSS) invite local businesses and residents to purchase and “plant” a pinwheel garden to raise awareness of child abuse and neglect.

WHY THE PINWHEEL?

“In 2008, Prevent Child Abuse America introduced the pinwheel as the new national symbol for child abuse prevention through Pinwheels for] Prevention®. What our research showed, and what our experiences since then have borne out, is that people respond to the pinwheel. By its very nature, the pinwheel connotes whimsy and childlike notions. In essence, it has come to serve as the physical embodiment, or reminder, of the great childhoods we want for all children.” ~ preventchildabuse.org

Interested businesses and individuals can complete the order form on the back of this page and send it, along with a cash or a check made out to Orange County, via mail to the Office on Youth at 146 Madison Road, Suite 205, Orange, Virginia 22960.

All orders are due by Friday, March 10th. Garden materials (25 blue pinwheels and an 18” x 24” sign, along with an informational flyer explaining the purpose behind the pinwheels) will be delivered the first week of April.
