ORANGE, VA 22960

Greetings,

Holiday season is fast approaching, and we are trying to get a head start on securing donations for our Thanksgiving assistance program and Adopters for our Christmas assistance program. If you would like to participate this holiday season you may choose from the options below. You may choose as few or many as you like by placing the amount by each option.

___ 25.00 donation towards a Thanksgiving meal (checks made out to Orange Social Services mailed attention Tabatha Rhoades)

___ Thanksgiving meal (Please include a turkey or ham and sides for a complete meal that will need to be dropped off at Social Services office November 17, 2023 between 7-9am)

___ Adopt an Elderly/Disabled adult for Christmas (usually around 50.00 per adoptee spent on gifts that you deliver directly to the adoptees home on December 9, 2023)

Our programs are only possible through generous community members such as yourself. We truly appreciate your willingness to participate but understand if you are not able to currently. Enclosed you will find information explaining more in detail how the Christmas program works if you are adopting an elderly/disabled adult. Please note our Christmas program is for elderly/disabled adults only. For children's donations you may contact the Orange County Children's Toy Box at 540-661-2263.

Address _____

Phone number _____

Email _____

For any questions or concerns please feel free to contact Tabatha Rhoades or Bernice Washington at 540-672-6166.

We are looking forward to working with you to make the holidays a happy time for our community.

Sincerely,
Orange County Social Services
